### Cape to Cape - On a Shoestring

**Two friends set out on the greatest hitch-hiking trip of their lives. Their goal is to get from Norway to South Africa - without any money**

"Cape to Cape - on a shoestring" lets the viewer take part in this wild hitch-hiking trip. It's an exciting and inspiring documentary about their journey, and all the people they meet along the road. Is there enough love in the world to get Espen and Matias from Cape to Cape in one piece?
